Development Deptt.

Para 3. Para 1 of the D.V.S's letter on page 17 CF and the Directors letter on p.19 c.f. may be perused with reference to P.W.Dept notes on page 2-3- above. The D.V.S. has since consulted the Ex-Engineer, Bellary and reports that the Ex.Engr has estimated the cost of the buildings proposed for the scheme at about Rs.38,000/ The D.V.S. has also forwarded the training plan and the estimates prepared by the Ex.Engr. The cost of the buildings etc., proposed for the scheme has now been enhanced by Rs.11496 on account of the revised estimates prepared by the Ex-Engr and the total Non-recurring cost of the scheme has also been enhanced by the same amount. The total cost of the scheme now works to Rs.1,29,996 non-recurring and Rs.8,788 recurring. It is for orders whether the revised cost of the scheme will be accepted.

(Previous notes of this dept are at page 2-3 ante)

The estimates for the construction of buildings for the scheme have since been checked by the P.W.D., and now they have been revised to Rs.38,000/_ and this is also a rough estimate based on the plinth area basis. It is also stated that the expenditure on buildings is to be debited to "50.Civil Works - Veterinary", which means that the building work should be executed by the P.W.D.

No further remarks seem called for in this dept. The file may be passed on to Fin.

P.W.DEPT.

With ref. to para 5 of the draft order, Devt. may be requested to send relevant extracts to this deptt together with the order for taking further action. The file may be passed on to Finan
